RE: 09-1280

Honorable Councilmembers LaBonge and Hahn:

The Los Feliz Improvement Association, Los Angeles' oldest homeowners' association, representing 1000 households in the Los Feliz district, strongly supports your motion 09-1280, regarding the continuance of this summer's scheduled activities in Department of Recreation and Parks facilities.

The cancellation of these programs would negatively impact the welfare of these children and create unmanageable challenges for their parents and the communities served by these essential programs.

Thank you for your leadership on this issue.

Sincerely,

Marian Dodge, President

cc: Mayor Antonio Villaraigosa  
City Council
