Dear Tom,

Your constant and complete support throughout the year of our efforts with the students in the Renaissance Academy of John Marshall High School is immensely appreciated.

The monthly coordination for the students to work in various areas in Griffith Park and the van transportation was flawlessly scheduled by various members of your staff, resulting in enthusiastic student participation. Several students came on more than one clean-up. Most of these students had never been in the park or ever had the opportunity to work with you and others for its benefit. It was a truly first experience for nearly one hundred 10th grade students.

The culmination of the year's efforts with the luxury Starlight bus tour on June 19th provided a truly gala ending of the year's endeavor. We could not have accomplished this program without your tremendous help.

With sincerest thanks,

Donald A. Seligman, President
